Subject: Duplicate Facility IDs?
Reservation Facilities UO Anadarko - Query.pdf

Hi, Colin,

It appears we may have duplicate facility IDs for a facility. Can you look into this? Anadarko Morgan State Compressor Station (UO-000973) and Morgan States Compressor Station (UO-001873). I am working on the SMNSR permit for the facility (UO-000973 – see SMNSR application on I Drive). If you could find the registration, if we have an electronic copy, and see if they are the same facility (lat/long location), and if so, change the registration number in MERLIN to have the facility ID as UO-000973, and delete the facility ID UO-001873, that would be great.

Thanks!
